

Features;

- High durability consists of dual-layer structure
- Overcome 4,000 hours accelerated weather test without noticeable damage

WRH Dual Layer Drain Hose

■ Connection Pitch 1m / Ivory color

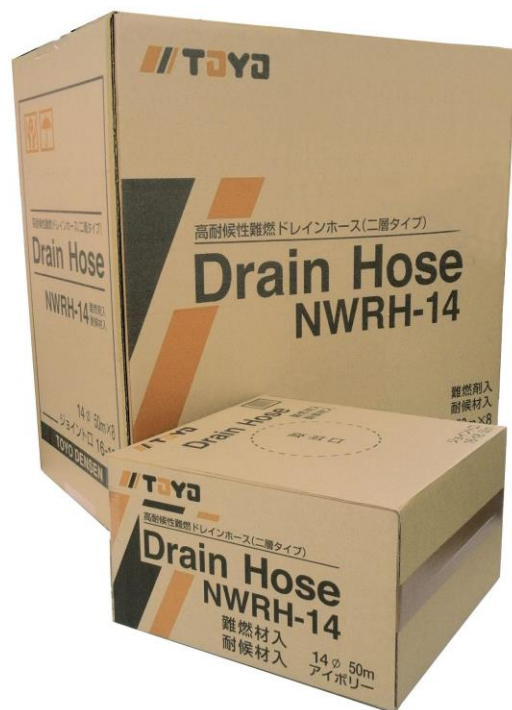

Model No.	I.D (mm)	Length (m)	Package Q'ty
WRH-14N	14	50	8
WRH-16N	16	50	6

Cuff Diameter : 16Φ- 18Φ (mm)

■ Connection Pitch 0.5m / Ivory color

Model No.	I.D (mm)	Length (m)	Package Q'ty
WRH-14Z	14	50	4

Cuff Diameter : 16Φ- 18Φ (mm)

NWRH Flame-retardant Dual Layer Drain Hose

■ Connection Pitch 1m / Ivory color

Model No.	I.D (mm)	Length (m)	Package Q'ty
NWRH-14N	14	50	8
NWRH-16N	16	50	6

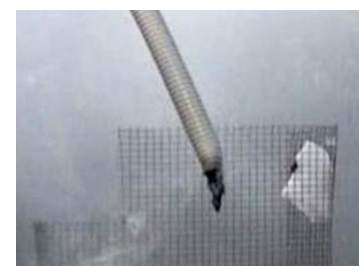

Cuff Diameter : 16Φ- 18Φ (mm)

Flame Retardant : Equivalent to UL-94 V2

Flame-retardance test for reference

Ignition

Immediately extinguished

Notes for usage of drain hoses

- Excessive bending for should be avoided
- Surface protection is required for adverse conditions
- Rarely inner surface exposes after long-term usage, there is no direct affection on usage.

DRS Branching Joint for Drain Hose

- Apply to WRH-14 / 16
- Suitable to joint indoor and outdoor drain hoses
- Fit into decorative duct
- Ivory color
- Usable as air vent socket by putting in the middle of drain hose.

Model No.	Package Q'ty
DRS	100

DRT Insulation Cover Tube for Drain Hose

- PE foam insulation cover for drain hose to prevent dew condensation on drain hose
- White color

Model No.	I.D (mm)	O.D (mm)	Length (m)	Package Q'ty
DRT-EX	22	31	2	80
