

VT

## VT Adhesive Vinyl Tape

Suitable for terminal processing of power-cables, wiring, insulation of electrical joints.

Model No.	Size (mm x m)	Thickness (mm)	Color	Q'ty
VT-19×10	19 × 10	0.2	Ivory, Gray, White, Black, Brown, Red, Green, Blue, Yellow, Clear	300
VT-19×20	19 × 20			200
VT-50×20	50 × 20			80

## MT Adhesive Vinyl Tape for piping

Thinner type, better fitting than VT.

Model No.	Size (mm x m)	Thickness (mm)	Color	Q'ty
MT19×10	19 × 10	0.18	Ivory	200
MT19×20	19 × 20			200
MT25×20	25 × 20			160
MT50×20	50 × 20			80

MT

KVT

## KVT Co-Tape – Non Adhesive Tape for Piping Protection

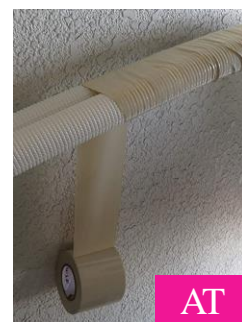

Model No.	Size (mm x m)	Color	Q'ty
KVT-50×18	50 × 18	Ivory, White, Light Brown	100
KVT-75×18	75 × 18	Ivory	80
KVT-50×18B*	50 × 18	Ivory	100
KVT-65×14B*	65 × 14	Ivory	100
KVT-75×18B*	75 × 18	Ivory	80

\*Mildew-proof type

## AT AT Tape– Slight Adhesive Tape

This specially formulated tape does not unfold by itself even fall off during working.

Model No.	Size (mm x m)	Thickness (mm)	Color	Q'ty
AT50x18	50×18	0.13	Ivory	100

AT

LT

## LT Light Tack – Slight Adhesive Tape

This specially formulated tape does not unfold by itself even fall off during working like left next picture

Model No.	Size (mm x m)	Thickness (mm)	Color	Q'ty
LT	50×18	0.15	Ivory	80

## SG Smooth - Slight Adhesive Tape

Like "Light Tack", this formulated tape does not unfold by itself when fall off  
Good workability and fitting by thin tape

Model No.	Size (mm x m)	Thickness (mm)	Color	Q'ty
SG-50×18	50×18	0.11	Ivory	100

SG

DNT

## DNT Insulated Adhesive Tape

Insulation is fabricated with 30 times expanded independent polyethylene foam to prevent dew condensation.

Model No.	Size (mm x m)	Thickness (mm)	Color	Q'ty
DNT-60-3	60×3	4	White	60
DNT-60-15	60×15	4	White	10
DNT-100-15	100×15	4	White	6
